Term	Definition
POU Data	Reported by Brad Milburn, all emails saved in the P:\600 - Operations\RM22009444 Freedom Convoy\Deployment\Counts; by date
PLT Data	Reported by Nicole Lott or Jason Findlay, all emails saved in the P:\600 - Operations\RM22009444 Freedom Convoy\Deployment\Counts; by date
Uniform Deployment	Frontline members deployed in an operational capacity to checkpoints, QRT, mobile patrol, team lead or meal delivery and relief
Command & Support	Members deployed in an logistical, staffing, CIC or IC capacity
Specials	Special Constables deployed in either an OTU, security or support capacity
Checkpoints	Static points or security assignments; for the purpose of this report a two officer unit assigned to a point is considered one check point, the requirement for multiple units at the same location is counted as multiple check points. For example the intersection of Elgin and MacKenzie required 5 units due to the amount of traffic and potential conflict points, this counts as five separate checkpoints // sourced from daily log on sheets.
